After the restriction period has expired, all content will be fully released.

☐ **1 year campus restriction, then immediate release:** ETD will be available to UF faculty, staff, or students, or anyone accessing the UF library catalog on a UF IP address during the restriction period. The student also grants permission to UF to display portions of his/her bibliographic information and the dissertation's abstract during the restriction period. ☐ **Secret for 2 years** (generally for patent or proprietary purposes), then immediate release: The only information appearing in the UF library catalog is the student's name, the Committee Chair's name, the department, and the date of degree award during the secret period. After this period has expired, all content will be fully released.
